

NETATMO

Celebrate a connected Christmas with Netatmo

Skip the usual ties, sweaters and rum truffles this Christmas. Netatmo has innovative and useful smart home gifts that the whole family will love.

FOR YOUR GREEN-FINGERED DAD
who likes to know precisely when to water the garden

The **Personal Weather Station** measures ultra-local weather data such as temperature, humidity and (barometric pressure). With the **Rain Gauge**, an accessory for the Weather Station, gardeners can make sure their garden is always adequately watered.

Weather Station MRSP £139
Rain Gauge MRSP £59

FOR YOUR GOLFER UNCLE
who doesn't like being buffeted by the wind

The **Wind Gauge** accurately and reliably measures the wind speed and direction, as well as alerting you in case of strong winds.

The **Wind Gauge** is an accessory for the Weather Station.
MRSP £89.99

FOR YOUR ECO-FRIENDLY AUNTIE
who puts the heating on as little as possible to save energy

Designed by Philippe Starck, the Netatmo **Smart Thermostat** enables users to save 37% on average to heat their home without compromising on comfort. It allows users to control their heating remotely from their smartphone.

MRSP £149

FOR YOUR ANXIOUS MUM
who wants to know if an intruder breaks into her home

Netatmo **Welcome** is an indoor security camera with revolutionary face recognition technology that sends the names of the people it recognizes directly to the user's smartphone. It sends real-time alerts when a stranger is detected, complete with a picture of their face and a video of the intruder.

MRSP £199.99

FOR YOUR GLOBETROTTING BROTHER
who travels the world but likes to keep an eye on his house

Netatmo **Presence** is the first outdoor security camera with breakthrough Artificial Intelligence to detect and report on people, cars and animals. It recognizes what it sees and notifies the user via a smartphone app if something is detected in the monitored area, even if he's on the other side of the world.

MRSP £249.99

FOR YOUR COUSIN – A YOUNG MUM
who wants to ensure the best possible environment for her baby

Healthy Home Coach records and keeps track of indoor air quality and temperature as well as humidity and noise levels. In addition, it provides suggestions to improve the indoor climate for the whole family, including babies or those with asthma.

MRSP £89.99

ABOUT NETATMO

Netatmo is a revolutionary smart home company, developing groundbreaking, intuitive and beautifully-designed connected consumer electronics. Truly smart, Netatmo's innovative products provide a seamless experience that helps users create a safer, healthier and more comfortable home.

Netatmo carefully designs the mechanics, electronics and embedded software of all its products to the highest standards. Netatmo also creates the mobile and web applications that fully realise their potential.

Since 2012 Netatmo has released thirteen devices and accessories, divided into four categories:

Weather - The Personal Weather Station and its accessories, the Additional Module, the Rain Gauge and the Wind Gauge.

Energy - The Smart Thermostat and the Smart Radiator Valves, both designed by Philippe Starck.

Security - The security cameras Welcome, for indoor, and Presence, for outdoor, and their accessories, the Tags and the Indoor Security Siren, and the Smart Smoke Alarm

Air care - Healthy Home Coach, the smart indoor climate monitor

Netatmo is a leading innovator in the smart home industry with products available through a growing network of distributors worldwide, selling to consumers through major retail and B2B channels.

Through its program "with Netatmo", Netatmo develops connected solutions with leading brands in the building industry to be integrated into residential home infrastructure, whether new-build or renovation.

In November 2015 Netatmo completed a series B funding round of €30 million. The company previously raised €4.5 million in 2013.
