

Netatmo Connects the Family Just In Time For the Holidays

For your Christmas gifts this year, forget those boring old novelty ties, sweaters and chocolates... Netatmo offers a range of unusual and useful connected gifts for all the family

FOR YOUR GREEN-FINGERED DAD

who likes to know precisely when to water the garden

The **Personal Weather Station** measures ultra-local weather data such as temperature, humidity and atmospheric pressure. With the **Rain Gauge** an accessory for the Personal Weather Station, gardeners can make sure their garden is always adequately watered.

Weather Station MRSP \$149
Rain Gauge MRSP \$79

FOR YOUR GOLFER UNCLE

who doesn't like being buffeted by the wind

The **Wind Gauge** an accessory for the Personal Weather Station, accurately measures wind speed and direction and sends alerts in case of strong winds.

MSRP \$99,99

FOR YOUR ANXIOUS MOM

who wants to know if an intruder breaks into your home

Welcome is an indoor security camera with revolutionary face recognition technology that sends the names of the people it recognizes directly to users' smartphone. It also sends real-time alerts when a stranger is detected.

MSRP \$199,99

FOR YOUR GLOBETROTTING BROTHER

who travels the world but likes to keep an eye on his house

Presence, is the first outdoor security camera with breakthrough artificial intelligence to detect and report on people, cars and animals. It recognizes what it sees and sends users a visual alert when something happens outside the home, even when traveling on the other side of the world.

MSRP \$299,99

FOR YOUR COUSIN – A YOUNG MOM

who wants to ensure the best possible environment for her baby

The **Healthy Home Coach** records and keeps track of indoor air quality, temperature, humidity and noise levels. It also provides suggestions to improve the indoor climate for the whole family, including babies or those with asthma.

MSRP \$99,99

ABOUT NETATMO

Netatmo is a revolutionary smart home company, developing groundbreaking, intuitive and beautifully-designed connected consumer electronics. Truly smart, Netatmo's innovative products provide a seamless experience that helps users create a safer, healthier and more comfortable home.

Netatmo carefully designs the mechanics, electronics and embedded software of all its products to the highest standards. Netatmo also creates the mobile and web applications that fully realise their potential.

Since 2012 Netatmo has released thirteen devices and accessories, divided into four categories:

Weather - The Personal Weather Station and its accessories, the Additional Module, the Rain Gauge and the Wind Gauge.

Energy - The Smart Thermostat and the Smart Radiator Valves, both

designed by Philippe Starck.

Security - The security cameras Welcome, for indoor, and Presence, for outdoor, and their accessories, the Tags and the Indoor Security Siren, and the Smart Smoke Alarm

Air care - Healthy Home Coach, the smart indoor climate monitor

Netatmo is a leading innovator in the smart home industry with products available through a growing network of distributors worldwide, selling to consumers through major retail and B2B channels.

Through its program "with Netatmo", Netatmo develops connected solutions with leading brands in the building industry to be integrated into residential home infrastructure, whether new-build or renovation.

In November 2015 Netatmo completed a series B funding round of \$31 million. The company previously raised \$4.7 million in 2013.
